

Craft your vision

Build the business of your dreams.

Now that you have your big business idea, create a vision board.

A vision board is a collection of images, illustrations, and words representing your goals and dreams. Vision boards are a great way to stay inspired as a business owner.

Your board can include:

- Products you might sell
- Colors you like
- Why you are excited to start your business
- Anything else that fits the vibe of your business

Goal:

Create a vision board for your business

Time it will take:

1–2 hours

You'll need:

- Pens, pencils, crayons, and markers
- Stickers
- Cardstock included with the kit

Extra materials

(optional):

- Magazine clippings
- Printed images
- Color, pattern, or fabric samples
- Tape or a glue stick

BONUS:

Check out Burst, Shopify's free stock photo site, for fun images you can download and print for your vision board.
